

Nursery Newsletter

Dear Parents/Carers,

We hope that you all had a wonderful Christmas break and have had a great start to 2017.

All of the adults in the Nursery have noticed how much the children have grown up over the break. We are proud to say that they are coming into school with a positive attitude, ready to learn and are trying their best. We are looking forward to the exciting term ahead!

Thank you to all of the parents who attended the **Stay and Play** sessions either in December or in January. You will have received an evaluation form asking for feedback on the sessions. Please remember to return these forms to your child's class teacher as soon as possible. We value your

opinions and are interested in hearing your suggestions and planning for future sessions.

School Uniform

Please be reminded that our Nursery children **must** come to school wearing appropriate clothing. Our Nursery Uniform consists of a **grey jumper, grey jogging bottoms, white t shirt and black shoes**. When getting ready for PE lessons, it is important that your child is able to take off their shoes and socks independently. Children should wear shoes that **have a Velcro fastening, not shoelaces**. Please ensure that your child's footwear and clothing is clearly labelled. Encourage your child to take their shoes and socks on and off at home by themselves.

Daily routines .

When dropping off or collecting your child from school, **please take any scooters, bikes or toys back home with you**. We have a very limited amount of space outside of the Nursery Entrance and toys and equipment from home simply cause obstructions which can make it difficult for our children to enter or leave safely.

Nursery timings.

We would also like to remind parents to be punctual when collecting their child from Nursery. The Rainbow Class session runs from **8.45 am to 11.45am**. The Snowflake Class session runs from **12.45pm to 3.45pm**. We understand that there may be times when being late is unavoidable, however you

must contact the school so that staff are informed. Thank you for your ongoing support with this.

Mrs. Kapadia.

EAL support:
Mrs. Hirtopanu,

First half of the spring term topic: Transport

This half term the topic is 'Transport'. The children will be learning about different ways that we can get around. The children have already helped us to transform our Role Play area into a train station! We think it looks amazing!

Promoting the love of books.

We would like to remind parents to bring in their child's book bags each week so that

we can change their reading books and hand out their homework. If your child does not have their book bag with them on a Friday, they will not be allowed to take home a new reading book. If you would like to **buy a book bag**, please speak to your child's class teacher or go to the front office for information.

Developing independent skills .

Our children have enjoyed taking part in PE lessons last term. Please support your children by making sure that all of their clothes are labelled and that they are wearing appropriate footwear (Velcro not lace ups). It would be helpful if children wear socks (not tights) on the days that they have PE so that they find it easier to dress independently.
