

# Nursery Newsletter

Dear Parents/Carers,  
Thank you to all of the parents who attended our Maths Stay and Play sessions this week. We hope that you found it a valuable experience and that you went away with ideas and activities that you can do at home to support your child's understanding of number, shape and measure. We value the opinions of our parents and are interested in listening to your thoughts on the session. Please hand in your evaluation forms to your child's class teacher so that we can find out how to

improve any future stay and play sessions.

### School Uniform

Please be reminded that our Nursery children **must** come to school wearing appropriate clothing. Our Nursery Uniform consists of **a grey jumper, grey jogging bottoms, white t-shirt and black shoes**. When getting ready for PE lessons, it is important that your child is able to take off their shoes and socks independently. Children should wear shoes that **have a Velcro fastening, not shoelaces**. Please ensure that your child's footwear and clothing is clearly labelled.

Thank you to all those parents who have supported us with making our school a safe place **by taking any scooters, bikes or toys back home with them**. It is important to keep the space outside of the Nursery entrance as clear as possible so that children can enter leave safely. Please ensure that this message is passed on to any childminders or other adults that may be dropping off or collecting your child from Nursery.

### Staff changes.

As mentioned in the parent newsletter, this will be Mrs Suffield's last half term at Kenmore Park Infants School. We would like to wish her all the best for the future.

After the Easter break, the children in the Rainbow Class will be taught by Mrs Rasool. She has already spent some time with the children and is

Mrs. Parekh and  
Mrs. Kapadia.

**EAL support:**  
Mrs. Hirtopanu,

## Tooth brushing sessions.

As part of our commitment to developing independent and healthy learners, the children in Nursery will be learning more about oral hygiene. After the Easter break, we would like our children to begin to brush their teeth after they have eaten their healthy snack. We feel that this will promote good oral hygiene practises, which is a skill that will benefit them for the rest of their lives. Each child will be given their own toothbrush and tube of toothpaste. These

will be clearly labelled with their names on them. There will always be an adult present whilst your child is brushing their teeth to ensure that they are doing so safely. Parents are welcome to come along and join us for our first tooth brushing ses-

Rainbow Class (Morning Nursery) 	Friday 24 <sup>th</sup> March at: 11.15- 11.30 am
Snowflake Class (Afternoon Nursery) 	Friday 24 <sup>th</sup> March at: 3.15 – 3.30 pm
