

Nursery Newsletter

Dear Parents/Carers,
We hope that you had an enjoyable half term break and that your children are excited about starting back at Nursery.

As we are now into our second half term, we will begin to take the children to the ICT room where they will begin to create pictures and type letters using the computers. We will also be taking our children into the hall for PE lessons.

Developing Readers

We will soon be sending your child home with a reading book which they can share with you at home. You can talk to them about the pictures and the words, recap what has happened in the story and discuss what they think will happen next.

If you want further information about how to support your child with their reading, please speak to your child's class teacher.

Please support your children with these exciting new experiences by making sure that all of their clothes are labelled and that they are wearing appropriate footwear (Velcro not lace ups). It would be helpful if children wear socks (not tights) on the days that they have PE so that they find it easier to dress independently.

Panda Class have PE on Tuesdays and Penguin Class have PE on Fridays.

Love of reading.

We want children to develop a love of reading. Please share books with your child. If you have not already done so, please join a library. It is free and you can borrow books for your child. Please purchase a **Book bag** for your child if you haven't already.

This week the children have had lots of fun learning about the festival of Diwali. They have made divas out of clay and have enjoyed naming the beautiful colours that they painted them with.

Next week we will be reading stories from Africa and getting creative by making animal masks.

ICT Parent Workshop

Panda Class:

Monday 20th November at 9.15 – 10.00 am
or
Tuesday 21st November at 10.30 – 11.15 am
