

# Nursery Newsletter

Dear Parents/Carers,

The children are settling well into their new routines and have enjoyed taking part in various adult led activities.

This week the children created firework pictures on the computers and chose the different colours that they wanted to use with the mouse.

As many of our children are used to playing with tablets at home, some children found clicking the buttons on the mouse a little tricky. If you have access to a computer at home, you can support your child with developing their computer skills by using the mouse and keyboard together.

## ICT Parent Workshop

We are looking forward to seeing many of our parents at the ICT Parent Workshops next week.

Please speak to your child's class teacher if you would like to attend.

### **Panda Class:**

**Monday 20<sup>th</sup> November at 9.15 – 10.00 am**  
or  
**Tuesday 21<sup>st</sup> November at 10.30 – 11.15 am**

### **Penguin Class:**

**Tuesday 21<sup>st</sup> November at 2.30 – 3.15 pm**  
or  
**Thursday 23<sup>rd</sup> November at 2.30 – 3.15 pm**

## Developing Early Reading Skills:

We would like to thank all of the parents who have purchased a book bag so that our children can begin to take books home to read. Unfortunately, we can only send home reading books with children who have book bags so that we know they are looked after properly. Book bags can be purchased online via Parent pay. Go to the school shop and click on book bag and pay.

You will be able to collect your book bag from school on a Tuesday or Thursday when the school shop is open.

We look forward to sharing our library of books with more of our children.

## Kenmore Park Infant & Nursery School

Volume 1: Issue 3

Friday 17th November 2017

### The nursery team

Developing Early Readers

Keeping our children safe

## **Keeping our children safe**

Please remember **to stand well away from the Nursery door** when teachers are dismissing your children.

Our teachers need to **keep our children safe** and

crowding by the door makes this difficult to do.

Now that it is getting darker earlier in the day, it is especially important that **children are given**

**space to walk** through and find their parents at the end of the day.

Thank you for your ongoing support with this.
