# Collective Worship Policy

## 1 Aims and purpose

- 1.1 The aims and purpose of collective worship are:
- to provide an opportunity for the children to worship God;
  - to enable children to consider spiritual and moral issues;
  - to enable children to explore their own beliefs;
  - to encourage participation and response;
  - to develop in children a sense of community spirit;
  - to promote a common ethos with shared values and to reinforce positive attitudes;

## 2 Collective worship

- 2.1 We understand worship to be a special act or occasion whose purpose is to show reverence to God. Collective worship involves all members of the school coming together and participating in an assembly. We expect everyone to take an active part in the assembly.
- 2.2 In line with the 1988 Education Reform Act, which states that collective worship should be 'wholly or mainly of a broadly Christian character', we normally base our assemblies on the teachings of Christ and traditions of the Christian Church. However, we believe we should serve the needs of the many faiths represented in the school within the current guidelines. Therefore, we conduct our assemblies in a manner that is sensitive to the individual faith and beliefs of all members of the school. We believe that each faith has something to teach us all.
- 2.3 While the majority of acts of worship in our school are Christian, we also hold assemblies that reflect other religious traditions that are represented in the school and the wider community.

## 3 Organization of collective worship

- 3.1 We hold a daily act of collective worship in our school. This forms part of each morning assembly, which is normally a whole-school assembly, although sometimes we hold a separate assembly for Reception.

- 3.2** We conduct assemblies in a dignified and respectful way. We tell children that assembly time is a period of calm reflection. We regard it as a special time and expect children to behave in an appropriate way. We ask them to be quiet and thoughtful and to listen carefully to the teachings and participate fully in prayer and hymns and songs. We create an appropriate atmosphere by using music and sometimes candles or other objects that act as a focal point for the attention of the children.
- 3.3** The headteacher or other members of staff normally conduct assemblies, but sometimes visiting speaker or other representatives of local religious groups conduct them instead.
- 3.4** We have a 'theme for the week'. We take the themes of our assemblies from the traditions of the Christian faith and we often reflect the festivals, celebrations of different faiths by consulting the SACRE calendar and events of the Christian calendar. Sometimes the themes of our assemblies reflect and build on topics that we teach as part of the school curriculum e.g. PSHCE, United Nations Convention on the Rights of the Child (UNCRC) and also use the SEALs materials as a useful resource. We plan our assemblies as part of a series of themes well in advance of the day they take place.
- 3.5** Our assemblies reflect the achievements and learning of the children. We encourage the children to participate in assemblies by showing their work to the other children and raising issues that they have discussed in their classes. Assemblies offer an opportunity to acknowledge and reward children for their achievements both in and out of schools. They play an important part in promoting the ethos of the school, which is that all children are valued and all achievements are recognised. Kenmore Park Infant & Nursery School is a successful school and we shall celebrate the successes of all the children in assemblies.
- 3.6** We invite parents to assembly on a regular basis and we encourage them to attend, as this promotes the community spirit of the school and is a practical demonstration of the way the home and the school work together to support the achievements of our children.
- 3.7** We welcome governors' attendance at our assemblies at any time.

## Right of withdrawal

- 4.1 We expect all children to attend assembly. However, any parent can request permission for their child to be excused from attending religious worship and the school will make alternative arrangements for the supervision of the child during the period concerned. Parents do not have to explain or give reasons for this. This complies with the 1944 Education Act and was restated in the 1988 Education Reform Act.
- 4.2 The headteacher keeps a record of all children who withdraw from collective worship.
