

Reception Newsletter

Dear Parents/Carers,

Our trip to Aldenham Country Park went well. The children enjoyed spending time in the great outdoors exploring nature!

We would like to thank parents and carers who accompanied the children on this visit. Without the support that we received from our parents, we would be unable to plan such amazing learning experiences for our children.

School Uniform

A number of children are losing various items of school uniform.

Please ensure all clothing (including P.E. kit) is labelled with your child's name.

Please also remember no jewellery should be worn in school.

We have a no jewellery policy as part of our Health and Safety procedures at school.

Learning Focus:

Until the end of term the focus in Reception will be Christmas.

Below are a few ideas to support children's learning at home.

Literacy:

Looking at stories linked to Christmas e.g. The Nativity Story, The Snowman. Useful ICT links include:

<https://www.topmarks.co.uk/christmas/NativityStory.aspx>

<https://www.youtube.com/watch?v=ZE9KpobX9J8>

(The Snowman animated film)

Please also continue to support your child with their ongoing reading of phonemes and words.

Maths:

Which shapes can we use to make Christmas decorations?

Computing:

Log on to MyUSO through our webpage <http://kpins.harrov.sch.uk/> and find a library full of useful computing activities including those linked to Christmas.

Christmas Production:

The children are now practising their dances for our Christmas performances.

Our Christmas performances take place on:

Tuesday 12th December at 9.30 am and 1.15pm.

This performance is for parents with young children under 5 years old and with babies.

Thursday 14th December at 9.30 am and 1.15pm.

This performance is **only for adults**. Young children will not be allowed to watch the performances on these days.

Reception Playground

The equipment in the Reception playground is only to be used during school time so we continue to remind parents and carers not to allow children to use the equipment at the start and end of the school day.

Thank you for your continuing support.
