

KENMORE PARK SCHOOLS

Kenmore Park Schools have installed CCTV systems in various parts of the premises used by pupils, staff and visitors to the schools for the purposes of pupils, staff and public safety, crime prevention and detection. CCTV is also installed on the outside of some of our buildings for the purposes of monitoring building security, crime prevention and detection.

They are installed in our internal corridors, stairways, entrance points (internal, and external), open external areas of the school entrance and play areas for the purposes of safety, crime prevention and detection, and the abuse of council policies. In all locations, signs are displayed notifying you that CCTV is in operation and providing details of who to contact.

Images captured by CCTV will not be kept for longer than necessary. However, on occasions there may be a need to keep images for longer, for example where a crime is being investigated.

[You have the right to see images of yourself and be provided with a copy of the images.](#)

We will only disclose images and audio to other authorised bodies who intend to use it for the purposes stated above. Images and audio will not be released to the media for entertainment purposes or placed on the internet for public viewing.

We operate CCTV and disclose in accordance with the codes of practice issued by the Information Commissioner and the Home Office.
