

Reception Newsletter

Dear Parents/Carers,

Thank you to all parents and carers who attended our Letters and Sounds workshops. We received positive feedback about these sessions from parents and are looking forward to working with you again at the Ocean Maths workshops next week.

On January 23rd the children participated in the NSPCC PANTS day. The children enjoyed the day and key messages were successfully conveyed.

Reminders:

A number of children continue to lose various items of school uniform. Please ensure all clothing (including P.E. kit) is labelled with your child's name. Please also remember no jewellery should be worn in school.

Learning Focus:

The focus in Reception until February half term will be 'People Who Help Us' and 'Instructions'. Below are a few ideas to support children's learning at home.

Literacy:

Think about the people who help you, for example, a nurse or a doctor. Can you draw them and write about what they do? Bring your work to school to show everyone!

Maths:

We are looking at shape, space and measure. Use home and the local environment:
Which is the heaviest/lightest bag?
Who is taller/shorter than you?

Computing:

Log on to MyUSO through our webpage <http://kpins.harrow.sch.uk> and find a library full of useful computing activities including those linked to our focus areas of People Who Help Us and Shape, Space and Measure.

Dates for your diary:

Monday 29th January:

Butterfly Class Ocean Maths

Tuesday 30th January:

Caterpillar Class Ocean Maths

Thursday 1st February:

Glow Worm Class Ocean Maths

Friday 2nd February:

Ladybird Class Ocean Maths

Please sign up on the poster outside of the classroom door to indicate your attendance.

Workshops:

Butterfly Class: 29/01

Caterpillar Class: 30/01

Glow Worm Class: 01/02

Ladybird Class: 02/02

Bikes and scooters

Thank you to all of the parents who have observed the signs we put up in the entrance to the Nursery and Reception classrooms. Please do not block the very busy Nursery and Reception nursery entrance with children's bikes and scooters. If your child rides a bike or scooter to school, please take it with you once you leave.

We continue to remind parents and carers not to allow children to use the reception playground before and after school.
