

Reception Newsletter

Dear Parents/Carers,

Thank you to all parents and carers who attended our Ocean Maths workshops. We received positive feedback about these sessions and are looking forward to seeing you again at our parent's meetings on Friday 23rd February.

Reminders:

A number of children continue to lose various items of school uniform. Please ensure all clothing (including P.E. kit) is labelled with your child's name. Please also remember no jewellery should be worn in school.

Thank you to all of the parents who have observed the signs we put up in the entrance to the Nursery and Reception classrooms.

Please do not block the very busy Nursery and Reception nursery entrance with children's bikes and scooters.

Learning Focus:

After the half term the children's topic will be 'Superheroes'. We have so many exciting activities planned for our children and are looking forward to the new learning opportunities that this topic will give us!

Dressing up clothes donations

We would kindly ask our parents to donate any old clothes or children's costumes that you no longer use at home.

Our children enjoy dressing up in the role play area at school and we are always grateful for any additions to our collection!

Thank you.

Literacy:

Think of a simple craft or cooking activity that can be done in 4 easy steps. Try the activity with your child, talk about the different steps and which order to carry them out. Use words like "first", "next", "then" and "finally".

Maths:

We are comparing the weight of different objects using simple weighing scales. Talk about and compare objects around the house, which ones are heavier or lighter than others?
