

Nursery Newsletter

Dear Parents/Carers,

Over the last few weeks that children have been learning about the different things that we can do to keep ourselves healthy.

Our children are beginning to talk about healthy food choices and are enjoying brushing their teeth at school.

We would like to thank you for your support with developing our children's understanding of the importance of good health and oral hygiene. These are life long skills which will benefit your children in years to come.

School Uniform

We would like to remind parents to ensure that their **child always comes to school wearing the correct school uniform.**

The nursery uniform consists of:

- **a grey jumper**
- **a plain white T shirt/ polo shirt,**
- **grey jogging bottoms**
- **black shoes or trainers.**

Our children enjoy wearing their school uniform and it helps them to develop a sense of pride in being a part of our school. It also supports them in terms of safeguarding.

If you need any further information regarding school uniforms, please speak to a member of staff.

Developing

Independence

As we approach our children's final term in Nursery, we will be focussing on developing our children's independence and readiness for reception.

We would appreciate it if our parents also encouraged their children to dress and undress themselves and practise taking their coats, shoes and socks on and off.

Thank you in advance for your support with this.

Parent Contributions

We would like to thank all of the parents who have given donations to the Nursery fund this half term.

Your donation enables us to plan for and prepare exciting activities for your children. Donations can be made online using parent pay.
