

Reception Newsletter

Dear Parents/Carers,

We hope you found our recent literacy workshops on writing useful.

Please use the ideas in the workshop booklet to support your children at home.

Important reminder:

Although the school provides the children with a fruit/vegetable daily, this is for the afternoon so please continue to send a snack (fruit/vegetables only) from home.

Learning Focus

Over the last week of term the children will be learning about growing and looking at the differences between babies, children and adults. Some of the activities the children will be doing are:

Literacy:

The children will be writing simple sentences about the things plants need to grow. We will focus on letter formation and the presentation of their work.

Maths:

The children will be learning to use prepositions to describe where one object is in relation to another. Some of the words that we will be learning include: 'on top', 'underneath', 'next to', and 'above'.

Parent Contribution

We would like to thank all of the parents who have given donations to the Reception fund this half term.

Your donation enables us to plan for and prepare exciting activities for your children. Donations can be made online using parent pay.

If you need help accessing this, please speak to a member of staff.

Class Assemblies

Butterfly Class—

Friday 25th May

Ladybird

Friday 22nd June

Glow Worm

Friday 29th June, at 9 am

Caterpillar

Friday 29th June, at 2.40 pm

Willows Farm

Wednesday 20th June

Sunny Weather and Warmer Days

Now that the sun is shining, we ask you to ensure your child comes into school with a water bottle. It is important that our children stay hydrated throughout the day so that they can be effective learners. We encourage our children to refill their bottle during the day. Please also apply sunscreen to protect their skin.

Kenmore Park Infant & Nursery School

Volume 3: Issue: 3

The reception team

- ☺ Butterfly Class — Miss. O'Grady, Mrs. Shea & Miss. Jo
 - ☺ Glow Worm Class—Miss. Abbas & Mrs. Karia
