

Reception

Dear Parents/Carers,

Welcome back.

We hope you have had a restful half term break. Please find enclosed dates for you diary, news updates and general information about what is going on in Reception this term.

Important reminder:

Please ensure your child has a school PE kit in school with all items named.

The children are doing team games in PE working up to our early years sports day on Tuesday 3rd July.

We hope you can support your child on that day.

Our topics for this half term include 'The World Cup' and non fiction books linked to plants and animals.

Literacy:

The children will be looking at non fiction texts and using features of non fiction texts in their writing, e.g. captions and contents page. They will be writing simple sentences and using adjectives to describe photos. Please ensure your child reads daily in a quiet place.

Maths:

The children will be adding and subtracting numbers in practical situations.

We will also explore doubling and halving and recap shape and measure. Please practise naming and talking about the properties of 2D and 3D shapes with your child.

Warmer weather

Now that the sun is shining, we ask you to ensure your child comes into school with a water bottle.

It is important that our children stay hydrated throughout the day so that they can be effective learners. We encourage our children to refill their bottle during the day.

Thank you for your support.

Maths Workshops:

We would like to invite you to our Ocean Maths Workshops which are taking place in the week beginning 11th June. This time the focus will be 'time'. We look forward to seeing you there.

Ladybird Class:

Monday 11th June, 9am
