

Reception Newsletter

Dear Parents/Carers,

We would like to welcome you all to our school.

This is the first of our fortnightly Reception newsletters which aim to keep you up to date with what your children are learning, share expectations and ways you can work in partnership with us to ensure your child has a great start to their learning journey.

We have enjoyed getting to know your children and are looking forward to next week when they begin to extend their day by staying with us for lunch- (from Monday 24th September at 11.30 am).

Please remember to look at the school menu every day and talk to your child about the different food that they will be able to choose from.

We would like to thank you in advance for your support.

Promoting healthy eating.

Please remember to send a healthy **snack (fruits or vegetables only)** and a **bottle of water** daily for your child.

Also remember there are children in the setting with life threatening allergies and the food items that should be avoided. These are displayed on classroom doors as a reminder.

Remember to make sure their snack boxes, bottles, bags, jumpers and coats are clearly labelled with their names.

Dates for your diary

The half-term holiday week is from **Monday 22nd to Friday 26th October.**

School will re-open on **Monday 29th October.**

Please note **Friday 19th October** is a teacher training day.

Children should **not** come to school on this day.

Thursday 18th October will be a non uniform day for children and the children make a cash donation of £1 which supports whole school projects and goes towards subsidies offered to children when we have educational visits.

Monday 24th September to Friday 28th September:

Children will stay at school for lunch.

All children should be at school from **8.50am to 2.15pm.**

From Monday 1st October:

Children will stay at school full time.

All children should be at school from **8.50am to 3.15pm.**

Climbing Equipment

When you are dropping off or collecting your child, it is important that you do not allow them (or any other children) to climb onto the equipment in the Reception playground.

The climbing frames should only be used when there is a member of staff present to monitor and supervise the children, as part of the school's risk assessments.

Thank you in advance for your support and for helping us to keep our children safe and to maintain an effective outdoor learning environment.

Kenmore Park Infant & Nursery School

Volume 1: Issue 1

Friday 21st September
2018
