

# Reception Newsletter

Dear Parents/Carers,

We would like to thank all of our parents for working in partnership with us to support our children's learning.

Our parent meetings were a useful time to look at the amazing progress that our children have made so far, and to also identify next steps to move our children's learning forward.

## Welcome

We would like to offer **Miss Ana** a very warm welcome to Kenmore Park Infant and Nursery School. She will be supporting in Unicorn Class this half term.

## Family Fun Pack

We have an exciting new scheme starting up shortly, which will allow children to borrow some sports equipment so that they can play games with their family at home.

More information about the Family Fun Pack will follow shortly.

## PE Kits

Remember to send your child's PE kit into school with them. The PE kits will stay in the classroom until the next school break, when teachers will send them home to be washed.

Unfortunately there are a number of children who have not been bringing their PE Kits to school, meaning that they are not prepared for participation in a compulsory aspect of the curriculum.

Physical Development is a key part of your child's education and all children need to participate fully in PE lessons.

## Dates for your diary
