

# Reception Newsletter

Dear Parents/Carers,

Many thanks to all parents who helped to make our library visits a success this week. The children enjoyed exploring the books and talking about the stories that they read.

Remember that you can sign up to the local library for free and start to take books home. We look forward to hearing about the library visits that you make with your children following our visit.

## PE Kits

Remember to send your child's PE kit into school with them. The PE kits will stay in the classroom until the next school break, when teachers will send them home to be washed.

Unfortunately there are a number of children who have not been bringing their PE Kits to school, meaning that they are not prepared for participation in a compulsory aspect of the curriculum.

Physical Development is a key part of your child's education and all children need to participate fully in PE lessons.
