

Kenmore Park Infant & Nursery School

Vision & Mission Statement

Vision: Build confidence and solid foundations in the basic skills thus preparing our pupils to become lifelong learners.

The mission of this successful school is to uphold our pupils' rights to an education (*article 28*)

We want for everyone to feel valued and included by:

- Aiming high to achieve excellence in learning by applying the dispositions of an effective learner
- Providing a safe and caring environment conducive to promoting learning, which is both positive and enjoyable (*article 16*)
- Promoting independent learning and encouraging everyone's talents to the full (*article 29*)
- Embracing and celebrating the cultural diversity of our school family (*article 30*)
- Being committed to listening to our pupil voice (*article 12*)
- Actively encouraging good, honest citizenship and British values through our SMSC curriculum thus equipping our pupils with the ability to make connections with their needs and rights (*article 1*).

September 2019.
